Knitting

knitting machines imported from Germany -Mayer & Cie, UK- Camber, knit various structures such as single jersey, Interlock, Pique, Rib, Single jersey auto stripes, Heavy Jersey auto stripes, wrapper stripes, Rib auto stripes, full jacquard.

Dyeing & Finishing

We have a Government approved and fully functional modern individual Effluent Treatment Plant consists of RO unit, Multiple Evaporators and Zero Liquid Discharge Unit. Tube Tex (USA) machines are used to control fabric shrinkage to the maximum level.

Cutting & Sewing

Lay cutting machines with automatic spreader that are highly advanced are been installed in our product unit. A separate squad is been appointed to make quality check fabric cut and stitching! To avoid angle variations in shape, we use effective band knife cutting machines.

Modernized sewing machines with the latest features have been imported and being used for our product process. There are 200 sewing machines now in use

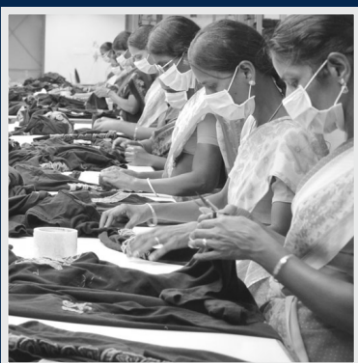

Checking

The manufactured garments are checked by our skilled workers. They make sure the quality of the garments is satisfactory and meets the international standards.

Ironing

The verified garments are steam- ironed to make them wrinkle-free and attractive.

Packing

The packaging unit takes care of the packing process. Here garments are neatly packed with utmost care. Once the packaging is done, the garments are sorted out for shipping.

Quality

Quality is the backbone of our organization. We maintain quality at every stage of manufacture - right from the gathering of raw materials to the delivery of the finished products. We ensure that value based products reach our valued clients. The quality inspectors work day-in and day-out to maintain the quality of our production. We believe in delivering the best products to the buyers. We certify that we do not employ child labour in our group of companies.

The company has won many laurels from its exporter clients for promptness in quality, delivery and quick response to their needs. Government of India has awarded R.K Knitwears as one of the best export house in India and having Certificate for Export House since 2013. We are having certifications in OEKO Tex, BSCI and under process of SA-8000.
